# PRESS RELEASE

## Coastal Family Health Center Celebrates Grand Opening of New Leakesville Clinic

**Biloxi, Miss., June 8:** Coastal Family Health Center held a grand opening and ribbon-cutting celebration for their new clinic in Leakesville, Miss.

On Monday, June 7, with a standing-room-only crowd, Coastal Family Health Center (Coastal) held a grand opening and ribbon-cutting ceremony celebrating their new clinic located at 951 Main Street, Leakesville, Miss. Mayor George Perkins joined Angel Greer, Chief Executive Officer of Coastal, and Paulette Briscoe, Vice-Chair of the Board of Directors for Coastal, cut the ceremonial ribbon.

In September 2020, Coastal Family Health Center reoccupied Fred's Super Dollar store as the site for the new Leakesville clinic. The 13,600 square foot building allows Coastal to continue to provide medical, dental, optometry, laboratory, and behavioral health services. In addition, the new clinic includes a drive-through pharmacy, radiology, and mammography. Coastal Family Health Center's Leakesville clinic is one of twelve locations that Coastal operates throughout Hancock, Harrison, Jackson, Greene, Wayne, and George counties. The new clinic is taking appointments Monday through Friday, 8:00 am-4:30 pm. Call 601-394-2381,

###

Coastal Family Health Center (COASTAL) is a comprehensive, high-quality primary health care provider serving residents of all ages, races, and ethnicities with or without insurance for the Mississippi Gulf Coast communities for more than 40 years. COASTAL is proud and passionate about our mission to serve patients, striving to be the best medical home for all residents. COASTAL helps patients be active members of their health care team while providing care coordination throughout multiple settings and contributing to building stronger and healthier communities. COASTAL also offers comprehensive and evidenced-based care beyond medicine to include social services, behavioral health, dental, optometry, and translators to facilitate your care.
